I Agree

I Do Not Agree

At the Select level of play, and for continuity purposes, the League prefers to have coaches who can consistently be at all practices, games and tournaments throughout the season. However, we recognize that this is not always possible. Please come prepared to the interview with dates that you will not be available to coach the team.

I will be available to coach the team (all practices, games and tournaments) throughout the season.

I will not be able to coach the team on certain dates.
